Chapter 1 by Dilemma

I kick the wall as hard as I can. A bystander might be thinking That guy really hates that wall the truth was I hated what was behind the wall, in the classroom next to us. In fact a bystander being at my school would probably think something along the lines of Wow... It's that delirious kid that Jessica told everyone about.

Jessica was my girlfriend Jessica is the most popular girl at school. You may be wondering how either of those things happened and the truth is I don't really know either, but it started with something when I moved here three months ago.

Jessica really liked me or appeared to anyway. That was amazing, she was beautiful, gorgeous in fact and the most popular girl in school. Why was she paying attention to me? Well at our school she was known as The Infidow. The name was referenced a few times. Thrown around here and there but nobody talked about it to me. Then again nobody even talked to me. When I asked her out she seemed ecstatic. We dated for a month and we told each other everything. And by everything she told me lies to make everyone hate me and I told her secrets that were the most embarrassing things in the world. So when I gossip I get called a liar but when Jessica gossips she gets called the Infidow. The word is a cross from Info and Widow. Can you guess why? In fact she preys on the clueless. But while I am socially clueless I am a killer at voodoo.
